The screenshot shows the Turnitin 'Create a New Student Account' page. The form is titled 'Create a New Student Account' and is divided into three sections: 'Class ID Information', 'User Information', and 'Class enrollment password'. The 'Class ID Information' section includes a text box for 'Class ID' and a text box for 'Class enrollment password'. The 'User Information' section includes text boxes for 'Your first name' and 'Your last name'. The Turnitin logo is visible at the top left of the page.

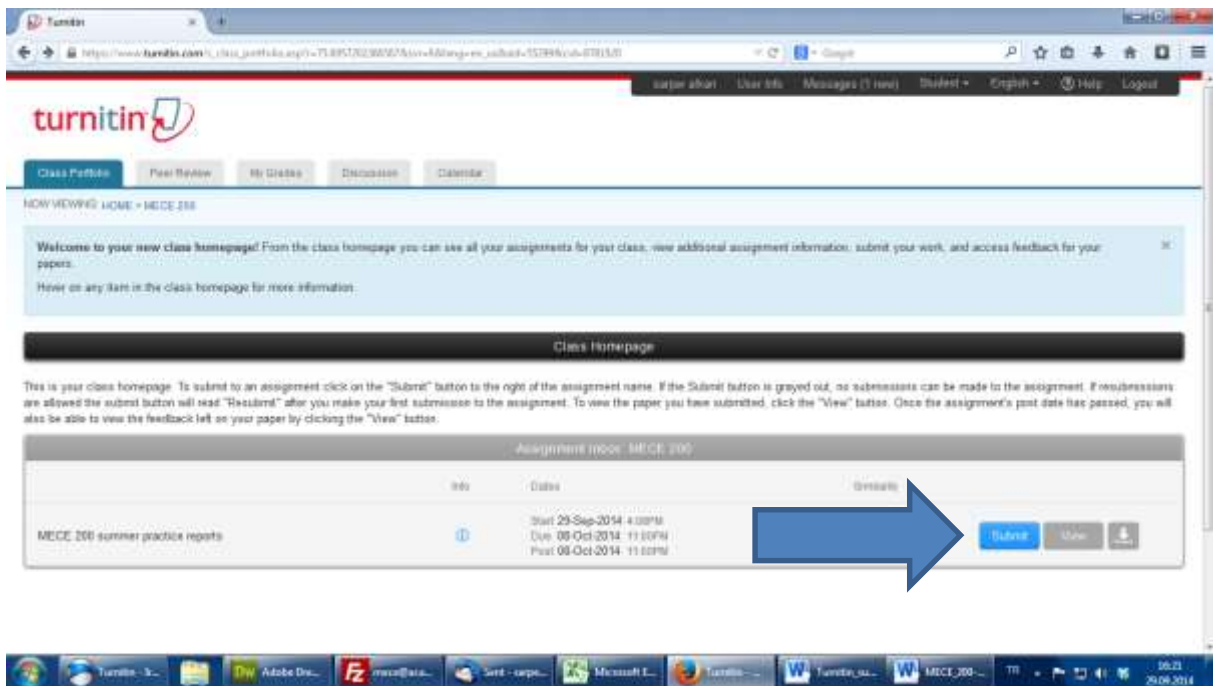

5. Log in to your account and click on the class name.

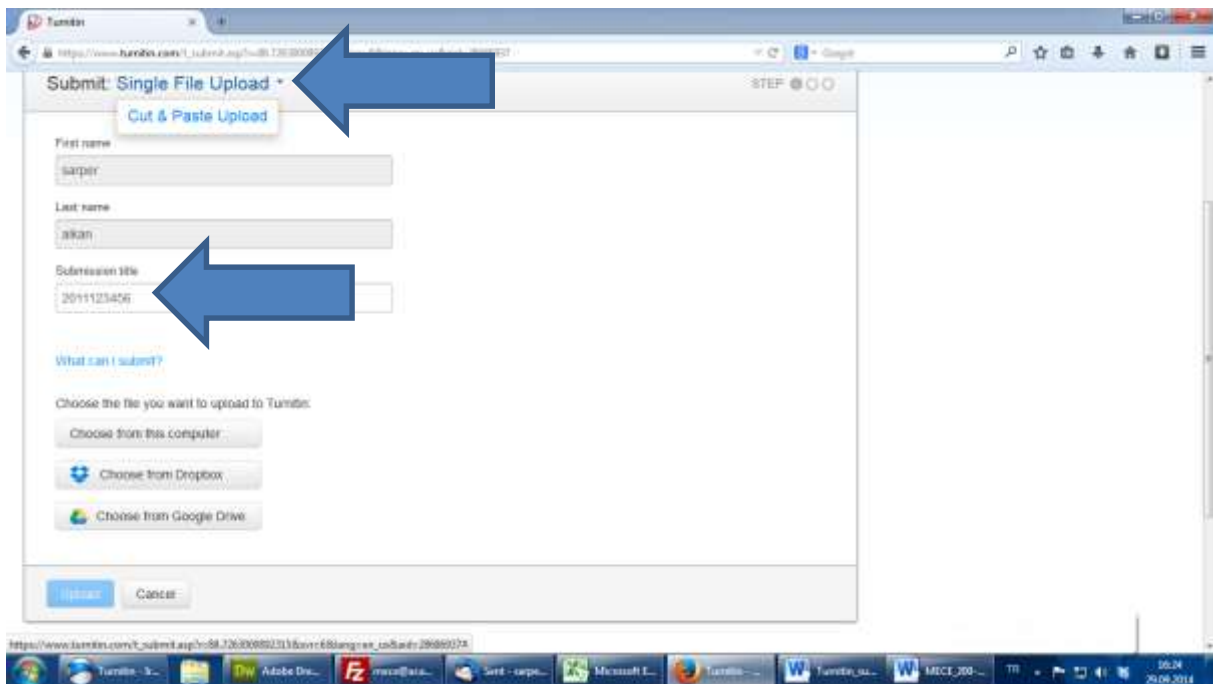

The screenshot shows the Turnitin student homepage. The page title is 'Cankaya University: Cankaya Üniversitesi'. Below the title, there is a table with the following columns: 'Class ID', 'Class name', 'Instructor', 'Status', and 'Drop class'. The table contains one row with the following data: '10730142', 'MECE 200', 'Bartur Altan', 'Active', and a trash icon. A blue arrow points to the 'Class name' column. The Turnitin logo is visible at the top left of the page.

Class ID	Class name	Instructor	Status	Drop class
10730142	MECE 200	Bartur Altan	Active	

6. Click on submit button.

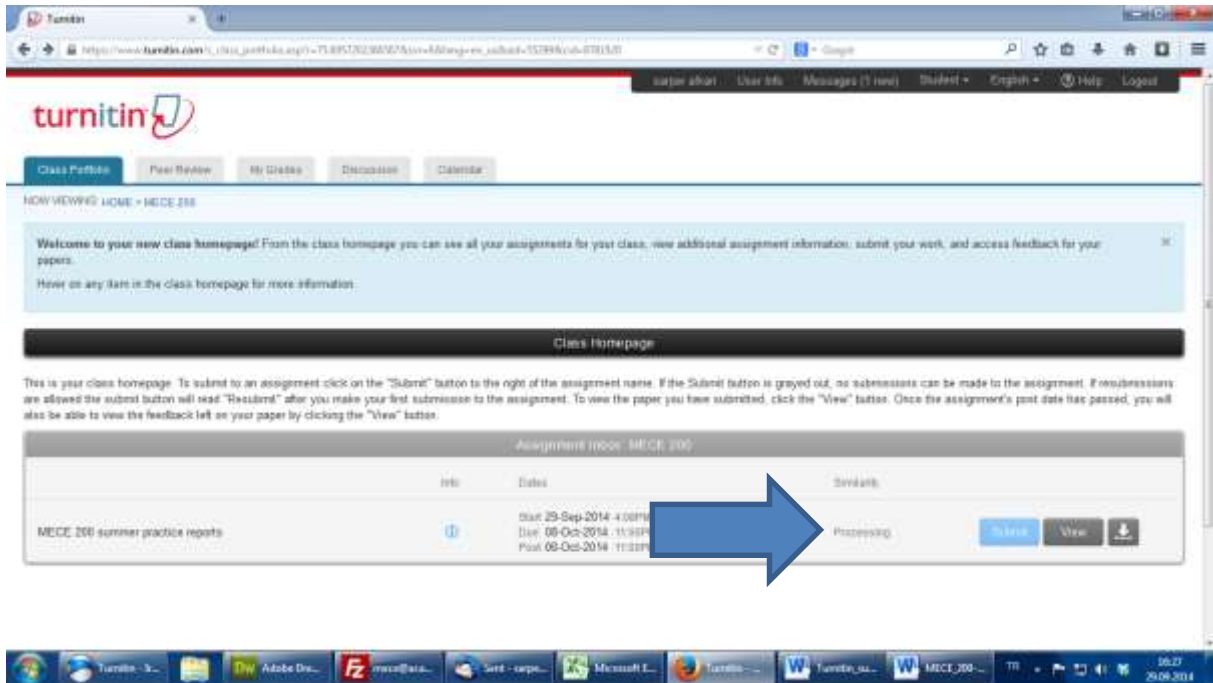

7. Select "single file upload" from the menu, type your student number as the "submission title" and upload your summer practice report file.

8. Click on "confirm" button.

9. Go to the assignment page and see your originality report after the processing ends. The similarity rating should be less than 20% in order to be acceptable. If your document has a higher similarity rating, you should change your report, re-submit and see if it is less than 20%.

10. If your summer practice report has less than 20% rating, you should submit it to the webonline course. In order to do that, log in to webonline, enroll to the course you are assigned to (MECE200 or MECE300). The self-enrollment passwords for the courses are: mece200 and mece300 respectively.
